On the afternoon of Saturday, May 31, **FriendsWithYou** celebrated the release of their *We Are FriendsWithYou* book, published by **Rizzoli**. The live signing event happened in their hometown of Los Angeles, at MOCA Grand Ave, with fans and friends of all ages. Before even arriving at the museum, music created by **Money Mark** could be heard as you walked to the courtyard. His recorded tunes and live accompaniment were a perfect complement to the whimsical and happy scene created by the duo. This included a bounce house, bounce mat, live FWY characters, a photo booth, and FWY-themed t-shirts designed and painted by Malcolm Stuart. As you could expect, a joyous time was had by all and most that came to the special event went home with a book signed and sketched/drawn on by the duo of Samuel Borkson and Arturo Sandoval III.
