## HOT NEW MARKET

**@thegreenmarketnantucket** will open its doors this summer in the heart of town at 4 India! A collaboration between Jenny Bence & Tessa Cressman as a natural

expansion of **@thegreennantucket**, now their Green Market will offer prepared breakfast, lunch, dinner & snacks foods, alongside local produce, specialty groceries, regional flowers, coffee, local crafts, clean beauty products, and DIY books.

## HOT NEW APP

Nantucket's Functional Medicine Wellness Center

**@lavenderfarmwellness** is launching an innovative app this summer to help residents and visitors alike discover the talents of Nantucket's expansive wellness community!

The app will easily connect users to booking massages, meditations, bodywork modalities and beyond! Follow their account for launch details!

## HOT CONSIGNMENT FINDS

The contemporary boutique **@covetboston** will be making their way from the city to 13 Centre showcasing a mix of unique vintage pieces, high end consignment and fresh

sustainable brands. **BONUS:** you'll be able to virtually book COVET appointments this summer to consign clothing from your closet!
