EVENT DETAILS

We Are FriendsWithYou, featuring contributions by Pharrell Williams, Alejandro Jodorowsky and Peter Doroshenko is the first comprehensive book by the L.A.-based artist collaborative FriendsWithYou. Triggering transcendental experiences through emotions and interactivity, Samuel Borkson and Arturo Sandoval III colorfully illustrate their journey as artists, revealing new insight into their growing body of work. The artists will sign copies of the book in-store at MOCA Grand Avenue in tandem with an interactive experiential installation in the courtyard for all of LA to play. Published by Rizzoli May 2014, US \$55.00
