Meanwhile in Hawaii, Versace has invited L.A.-based artist and designer Tristan Eaton to rethink its iconic medusalogo. The collaboration resulted in a show-stopping, large-scale mural, unveiled in Honolulu last week in conjunction with the soft opening of the luxury house's new store in Kakaako. Anyone else want a t-shirt?

From June 12 to 14, twenty local and international artists will transform Montreal's Saint Laurent Boulevard into an open-art museum, creating new permanent public artworks during the second edition of MURAL Festival.
